

# Better Births Lincolnshire

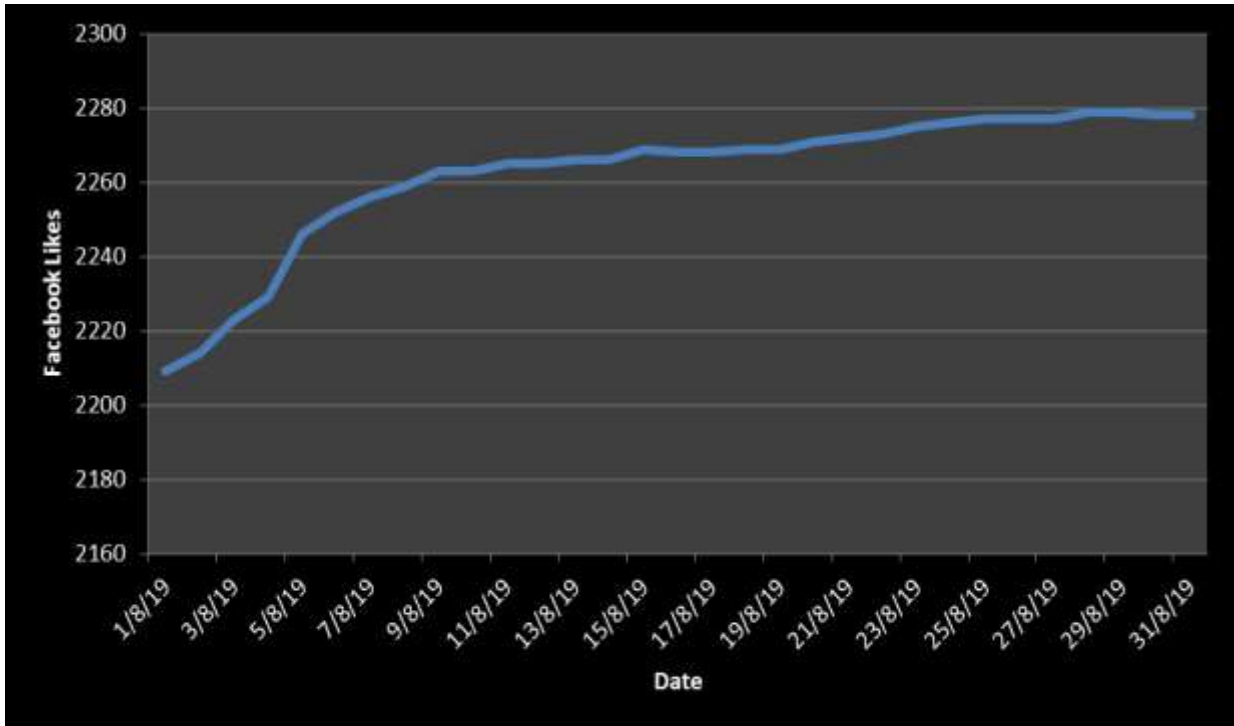

August 2019

- Feedback from NHS England regards the EL LSCS and Smoking Films extremely positive. **They have commented that both films are 'EXEMPLARY'**
- **Over 5700 views by both staff and user's on social media**
- The Working Party Meeting for the Maternity Personalised Care Plans has taken place and feedback has been positive, additions to information to be made as well as discussions to ensure that the care plans can be digital going forward
- The position for chair within Maternity Voices has been filled, Amanda Pike will be starting with the team 18/9/2019
- New Films; (in script and initial filming stages)
  1. Neonatal Walk through
  2. Homebirths/Water births
  3. Postnatal Discharge
- Better Birth's website to have a dedicated page for Personalised Care Plans – updates and information to be uploaded directly onto page, including surveys & polls. This will eventually hold the draft of the PCP for staff and user's to view and comment
- Badge for Preceptorship Midwives ordered and to be in use by end of September

We will be sharing our updates on the Better Births website also 😊
